Located on the Famous

EASTERN SHORE of VIRGINIA

Where "Heaven and Earth Meet" in the words of Capt. John Smith who described this land as the best suited for man's habitation of any of the many places he had been.

THE OLD HAND AT THE NEW STAND

"There is no substitute for experience." Sam Tankard, Jr. of the Tankard Brothers has been in the Nursery business for 29 years. He and brother John give close supervision to growing good stock and careful attention to filling your orders.

In 1946, they established the present nursery at Exmore, Virginia and now have a large stock of the finest of ornamentals with which to serve old and new customers.

Tankard's is not the largest nursery in the country, but it is one of the best.

The Eastern Shore and the Del-Mar-Va Peninsula have become a great nursery center. Come and find all your wants.

WHOLESALE PRICE LIST **SPRING 1957**

Within easy trucking distance of Eastern points, but we can ship anywhere by express, freight, or truckload.

We have customers in 17 states - from Mass. to Oklahoma, and have received many compliments on our plants and our service.

Terms and Conditions:- Prices are F. O. B. Exmore, Virginia. Packing in boxes and bales additional, subject to prior sale, and our confirmation of the order. Terms are cash with order or 1/4 cash with order, balance C. O. D., unless credit has been established with us.

50 plants at 100 rate; 500 at 1000 rate.

WE CAN DIG AND SHIP ALMOST ANY WEEK DURING THE WINTER, SPRING OR FALL. However, we advise you to let us have your order at once so we may reserve stock for you. Many items are scarce this season.

We box Azaleas and pack deciduous stock for L. C. L. shipment by Rail and to some destinations by truck lines, but cannot undertake to box and ship larger evergreens. These are offered only for bulk shipment by truck or car load.

AZALEAS

For forcing and landscape planting.

We grow many thousands of beautiful plants, dense, and bushy. These Azaleas are as fine as we have ever raised. Grown in natural Azalea soil in the field, under full sun. Place your order now as there were not enough plants to meet the demand again last season, and sales have already taken the majority of this years crop.

Within easy trucking distance of Eastern points, but we can ship anywhere by express, freight or truckload.

For Azalea orders, 1000 rates apply on all orders for 500 or more plants for bulk (truck) shipment, 100 rates apply on all Azalea orders to be packed for shipment in boxes.

KURUME VARIETIES

Note sizes available in each variety.

AMOENA - Hose-in-hose, rosy purple flowers. Very hardy. Few 6-8 in.

CORAL BELLS - Sold Out.

FLAME - Hose-in-hose bright madder red. Tall grower. 8-10 in., 10-12 in., 12-15 in.

HEXE - Sold Out.

HINODEGIRI - Brilliant red. The standard hardy Azalea. 4-5 in., 5-6 in., 10-12 in.

HINO CRIMSON - 4-5 in. and 5-6 in. only. Order this outstanding variety early for next year. This is the Azalea that "has everything".

PINK PEARL - Sold Out.

SNOW - Hose-in-hose snow white flowers. Good grower - glossy foliage. 6-8 in., 8-10 in.

PRICES: Kurume Varieties

Add 10¢ per plant if burlap wrapping is desired.

	100 rate	250- 499	1000 rate
4-5 in. spread each	\$0.35	.32½	.30
5-6 in. spread each	.50	.45	.40
6-8 in. spread each	.90	.85	.80
8-10 in. spread each	1.20	1.10	1.00
10-12 in. spread each	1.45	1.35	1.25
12-15 in. spread each	1.85	1.70	

Note: 4-5 inch and 5-6 inch offered in Hinodegiri and Hino-Crimson only and cannot be included in total for quantity prices on other sizes.

INDICA AZALEAS

FORMOSA - Very showy large purple flowers, but not hardy North.. Specimen plants.

Burlapping 10¢ extra.

18-24 in. spread	\$1.50
2-2½ ft. spread	2.15
2½-3 ft. spread	2.50
3-3½ ft. spread	3.25
3½-4 ft. spread	3.75

AZALEAS — continued

Azaleas getting proper treatment in Sept. '56 by Charlie Dennis, field superintendent, and another 10 year supervisor, Rudolph Brady.

ASSORTED AZALEAS

BUCCANEER - A Glenn Dale Hybrid. Dazzling orange-red flowers of large size. Truly outstanding. Blooms 10 days or two weeks later than Hinodegiri. Excellent foliage. 8-10 in., 10-12 in., few 15-18 in.

PALESTRINA - (Wilhelmina Vuyk) - A Vuykiana variety. Single white flowers 2 to 2½ inches across in abundance on a vigorous upright grower. We have seen Palestrina absolutely undamaged growing beside Ledifolia alba which had been sererely hurt by cold weather. 15-18 in.

PRICES ABOVE ASSORTED VARIETIES

Burlapping 10¢ each extra.

	Per 10.	50 to 100
8-10 inch each	\$1.35	\$1.20
10-12 inch each	1.65	1.50
12-15 inch each	2.10	1.90
15-18 inch each	2.65	2.45

Azaleas may be assorted as you wish and the total number will determine the quantity price, except that 4-5 in. and 5-6 in. sizes cannot be included with other sizes to make the total.

Broadleaved Evergreens

All first class, dense, pruned plants with good color and good roots properly dug and burlapped.

ALL B. & B.

Abelia grandiflora interspersed with *Cornus florida rubra*. Sam Tankard, Jr. is actually standing on his feet behind these Dogwoods. Photo Sept. '56.

EACH PER 10

ABELIA grandiflora. Pruned plants. Beautiful dense specimens.

2-2½ ft. -----	\$1.50
2½-3 ft. -----	1.75
3-4 ft. -----	2.50

BERBERIS JULIANA NANA. Well branched, handsome plants of this desirable variety. Only a few left.

15-18 in. -----	\$2.25
18-24 in. -----	3.00

BUXUS sempervirens. American Box. Somewhat columnar in form, sheared specimens.

TESTIMONIALS

Rahway, New Jersey - October 3, 1956 - "This stock of yours is certainly first quality."

Jeffersonville, Indiana - March 19, 1956 - "I am well pleased with the Azalea plants - they arrived in good shape. Many thanks for all favors."

Merrick, Long Island, N. Y. - March 14, 1956 - "It was a nice load of material. Thanks."

West Hempstead, N. Y. - April 9, 1956 - "We are pleased with your plants - always well sized."

Waynesboro, Virginia - December 14, 1955 - "Everything we got on this load was good and we were well pleased."

Woodbury, Long Island, N. Y. - April 12, 1956 - "Check attached for shipment of nursery stock which looked good."

Ridgewood, N. J. - September 12, 1956 - "Your material as usual received in first class condition, dug and handled right."

Silver Spring, Md. - October 30, 1956 - "All very good. Thank you."

The Tankard Packing Shed and one of the delivery trucks, capacity 12 tons. Note the tarpaulin and solid sides which protect your stock, entrusted to Wm. Poole, the driver.

For economical delivery, have us ship by our trucks, hired trucks, or send your own. We can often arrange combination truckloads to more than one customer. Overnight deliveries to New York and other Eastern points.

TESTIMONIALS

Ridgewood, New Jersey - April 17, 1956 - "We want to compliment you on the fine material you have shipped us during this season, the way the material was dug and handled, also your courteous driver was a pleasure to deal with."

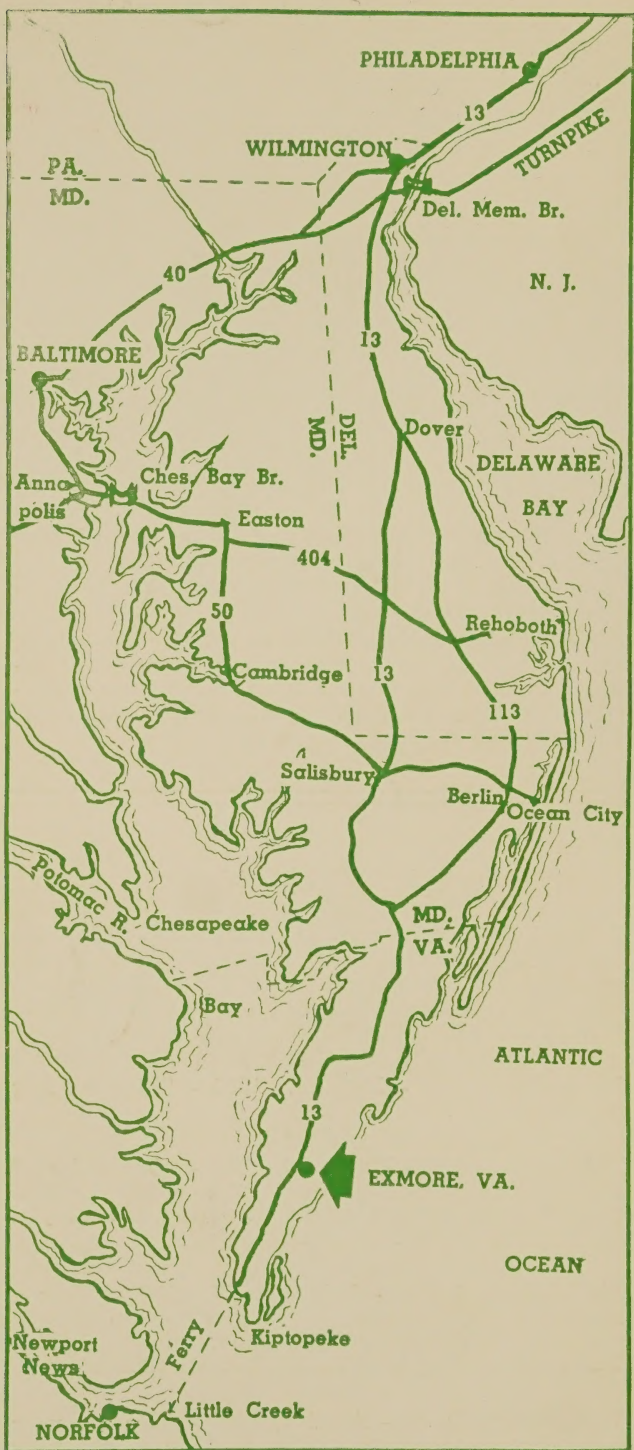

Waynesboro, Va. - March 7, 1956 - "Nice looking plants. Thanks."

Painesville, Ohio - March 24, 1956 - "Our order of azaleas arrived in good condition and we are well pleased with the quality of the stock. Thank you again for the fine material."

Philadelphia 5, Pa. - February 27, 1956 - "Saw a shipment of your Azaleas today. I was so pleased with what I saw that I felt I should let you know. The grading, shape, and ball were all excellent."

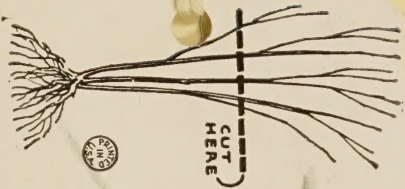

Washington, D. C. - April 6, 1956 - "We are very well pleased with the plants. The liners are very nice."

Silver Spring, Md. - May 9, 1956 - "I would like to say how very pleased I was with the stock I received from you; it certainly was nice and the grading very liberal. Hope to place an order for Fall very soon. Thanks again for such good service."

Exmore, Va. is located on the Del-Mar-Va Peninsula. Readily reached by Hy. U. S. 13, Pennsylvania Railway, Bus, or private plane to Weirwood or Parkesley; two hundred miles south of Philadelphia.

Connected with Norfolk by fast car and truck ferry, running every fifty-five minutes.

Planting Directions

Soak roots in a tub of water for 12 to 36 hours before planting. Protect tops from sun and air.

Prepare hole large and deep enough so roots can be spread without crowding. Cut off any broken roots or branches and prune back top one-half its present length.

Fill hole half full of good rich soil. Set plants so that crown is just below surface of ground.

Pack soil *firmly* around roots. Fill balance of hole and soak well.

Water frequently until growth starts. Do not expose roots to sun or wind.
